Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner's intent was to verify/find out if the applicant has responded to the Office Action mailed on December 3, 2003. However, although the applicant has filed a request for Change of Address back in August 29, 2003, the applicant's representative and the examiner together verified that the above-mentioned OA was mailed to wrong address of a previous firm. Hence, since the time of response has lapsed, the applicant's representative has agreed to file a petition to revive the application upon receiving a notice of Abandonment.
